

NEWS ALERT

Cortec® MCI®-2019 Featured in July Issue of Buildings Magazine!

MCI-2019 is a **non-toxic concrete sealer**. The 40% silane, solvent-based formula migrates through even the densest concrete to provide protection against corrosion and increase

surface abrasion resistance. It seeks out embedded reinforcement to form a protective monomolecular corrosion inhibiting layer on the steel. MCI-2019 by CORTEC CORP. Circle 223. www.cortecvci.com

Cortec® Corporation is the global leader in innovative, environmentally responsible VpCI® and MCI® corrosion control technologies for the Packaging, Metalworking, Construction, Electronics, Water Treatment, Oil & Gas, and other industries. Headquartered in St. Paul, Minnesota, Cortec® manufactures over 400 products distributed worldwide. ISO 9001, ISO 14001, and ISO 17025 Certified.
